

Action Information

Action Title: Availability of the Integrated Risk Information System (IRIS) Assessment Plan for Uranium; Correction.

Purpose: The Office of Research and Development (ORD) National Center for Environmental Assessment (NCEA) is publishing this administrative notice to correct the docket number associated with a Federal Register announcement that published on January 31, 2018.

Background: On January 31, 2018, EPA announced a 30-day public comment period associated with the release of the draft IRIS Assessment Plan for Uranium. ORD was notified that an incorrect docket was assigned to this document and the Federal Register Notice. In order to correct this issue, an administrative notice is required to amend the incorrect docket number.

Stakeholder Involvement: This administrative correction to the docket number will allow the public to place comments on the document in the correct docket on Regulations.Gov.

Key Issues/Internal Review:
NA.

Legal Deadlines: NA.

Timing: EPA's public comment period is scheduled to close on March 2, 2018. To ensure comments are appropriately received and addressed by EPA, ORD/NCEA is requesting that the FR publish on February 14, 2018.
